Don't Monkey Around

There is strong indication that Kerry Hay may decide to buy Gail a dish washer. We assume it will be a Maytag. The expectations are that Kerry may be able to handle a dish washer rather than the conventional method.

Trust Me???

The club Treasurer was seen in the Claremont Hotel last week throwing money about without a care. A \$50 note fell at the feet of Gail Hay, who scooped it up, but then decided to give it back to Mike, who reckons he was trying to 'buy' some new members.

I'm sure two of us heard Phil Powe say that a Fundraising Meeting would be held at 4.00 PM on Thursday 26th August. When we two turned up the cupboard was bare & both are having hearing checks ASAP.

Please Support our Sponsors, if possible as Glenn Miller supports the club 100%

Let's Publicise Our Club

A brochure has been made suitable for letterboxing in the Claremont area. Every member is asked to take a small quantity and letter-box in your street. This won't take long and even if we get a couple more players it will be worth it.

The club's phone number is given, so we ask everybody who answers the phone to treat any enquiries with a professional approach, by taking their details & handing on to a board member.

SICK LIST

We hope Tony is feeling better this week

The History of the Claremont Bowls Club

Part One:

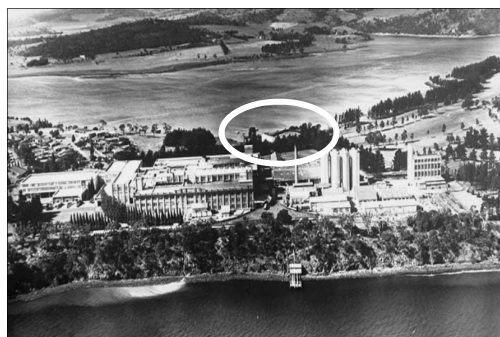

"In the late 1950's, a suggestion that a bowls facility be provided adjacent to the Claremont Golf Club gained lot of interest and support. The purpose was to give golfers an alternative recreation to golf during the summer months and also to add to the sporting amenities provided for Cadbury employees.

With the support of the Cadbury organization an investigative committee was formed to consider the proposal and ultimately the go ahead was given.

The inaugural meeting was held on 27th June 1960, at which there were present four persons who were golf members and also employees of Cadburys, nine golfers and four Cadbury employees. Also in attendance by invitation were the president and three other senior executives of the Southern Tasmanian Bowls Association, all of whom were not only top administrators but also top bowlers."

Part 2 next week. We thank Dudley Coleman for the 1st 40 years of our history.

We will feature some early photos of the Cadbury Estate as we don't have many old photos of the CBC. If you have any please contact Mike Quinn.

The above Aerial photo of Cadburys is undated, however I think CBC may be in the circled area.

Above is a poster, probably in the 50's used by Cadburys. If you increase the size you can see a beach on the bottom left

and some houses that seem bigger than actual—most likely artist's poetic license.

Bowls Biz

I've been urged to tell you some Scottish Jokes, so don't blame me.

- At the weekly selector's meeting one was heard to say: "You can always tell a Scotsman — but you can't tell him much."
- We were so poor; the ultimate luxury in our house at the time was ashtrays without advertisements. It was all the wolf could do to keep us away from his door. A luxury meal was prairie sandwiches- two slices of bread with wide-open spaces between them. There were so many holes in my socks I could put them on seventeen different ways.
- She had been married so often she bought a drip-dry wedding dress.
- My mother was so house proud that when my father got up to sleepwalk she had the bed made by the time he got back.
- A Scot is a man who keeps the Sabbath, and everything else he can lay his hands on.

Q and A

The following are more Australian Domestic Rules.

The rules on substitutes in games is quite long and complicated, but needs to be understood by all. Go online to have a good look at them.

Appeal against umpire's decision

1.1 An umpire's decision upon a question relating to the meaning or interpretation of any law or given set of circumstances not covered in the law may be subject to an appeal to the state or territory association through the Controlling Body by the skip of either team in a team game or the manager of either side in a side game or by either player in a singles game.

1.2 The decision of the state or territory association should be final and binding with respect to the appeal submitted.

1.3 If the appellant requests, the state or territory association should submit the case to the Bowls Australia National Rules Committee whose decision should be binding for future occasions.
