DRAW SHOT

GAMES REVIEW

By: *Billy Bob Bias back from the Bayous*

Round Four Saturday 30/10/10

Div 1: (played on 24/10) Hobart Indoor d. Claremont 14-0 (113-82). J Howard d N Buckingham 25-15, J McKibben d C Tegg 29-20, T Hack d C Chalker 25-17, D Cantwell d W Lampkin 34-30. This was the 4th round played on 24/10/10 and I don't think there is much more to be said. This week we are home to Glenorchy/Rodman & a win is essential

Div 2: New Norfolk d. Claremont 10-4 (98-94). B Bone d. N Hanson 29-21, K Hill d. W O'Rourke 28-21, T Russell l.t. T Wylie 24-25, D Hills l.t. R Coleman 17-27.

Only four shots in it, but would have liked more points. Terry Wylie & Ron Coleman had wins with the latter by 10 shots. The other two rinks lost by a total of 15 shots. This week it's down to Geeveston where a giant effort is required.

Div 3R: Howrah d. Claremont 13-1 (89-70). M Robinson d. B Miller 27-16, B Gill d. T Bird 24-19, D Doran d. T Fulton 18-15, G Britcliffe d.w. E Johnson 20-20. No joy for us at Howrah with the only 1 point coming from Eric Johnson's draw. If there was one thing that prevent the win it was that one rink got stuck on 6 for 10 ends, another on 8 for nine ends and a third on 19 for 6 ends. (*did time stop still?*) We host Geeveston, who are in 3rd position, at home & this is a must win.

Mixed: In the end we were handed a bye, because Derwent/City had folded. The Mixed go to Beltana this Saturday.

Team of the Week: Ron Coleman, Mike Pursell, Graham Hoggan & Karl Renetzeder with 10 shots up.

20/10/10- Midweek Div 2: Gave Howrah a lesson on precision bowling and brought home 12 points (99-64). Bucky's Boys had a massive 29 shot win with all contributing, *Gentleman* Denis Menzies rink was too strong and won by 11 shots, Tom Foolery's rink battled hard all day and it was left up to Tom with his last bowl- *a fast forehand drive*- to gain a one shot win, whilst Bigan's rink didn't quite knit together and lost by 6 shots.

Midweek Berriedale/Claremont Div 4: Had a close win over Howrah (12-2) with Terry Wylies' rink winning by 11 shots,

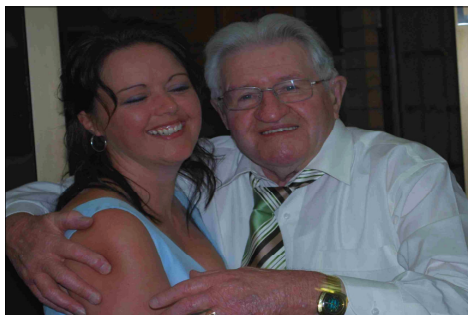

Midweek Team goes to: - Noel Buckingham, Graham Hoggan, Ian 'Shaker' Salt and Eric 'Ow ya Goin' Johnson with 29 shots up.

Team Work- On & Off the Greens

At the start of the season President Max said & said it often, that he wanted to see more members get involved and help out where they could. After round four I wanted to see just how that request is working.

We elected members to various committees, but the overall running of the club is a giant task, so please don't expect these officials to know and do everything- **They need our help & cooperation.**

Three examples- 1. several board members, after a hard day's work, are lucky to reach the bar area before members descend wanting this & that- 2. members ringing up at home and not even knowing who the selector is for their division, or where & when they are picked to play. The selection board is there for all to see & if there are unavoidable changes it is up to all to check regularly.

Each member of our committees has a specific duty to perform and they are the ones you should approach with a problem associated with their portfolio. A list will be in the club rooms to assist.

On Midweek and Saturday's a duty rink is appointed & this should be rotated. Their job is to be there early, assist with setting the tables & on Midweek clearing & washing up. Too many of our members ignore their responsibilities. **If we work together the Club will be stronger.**

Archie Wallace has announced that due to circumstances he will no longer be our Bar Manager. For a number of years Archie has organised and ran the bar and is to be thanked by all for his dedication & service to the members.

He will still continue to run the Punter's club & a new Bar Manager is to be appointed soon, we hope.

Don't Monkey Around

Bernie 'Valentino' Barry was observed in Shoreline Shopping centre last Wednesday, at about 12.25 PM, smooching with a lady, in public, wearing his CBC uniform, whilst having a cup of Banjo's coffee. "have you no respect for the maroon, blue & white?"

I understand 'Chalky' Dawes had a big win on the GG's backing Lion Tamer, who won by a mile, at good odds.

Message for Side Captains

The STBA are concerned, as they might be, at some of the Side Captains.

Main complaints are: -

*Side Captains not arriving at the game in time to complete requirements (At least 40 minutes before roll up is recommended)

*Not filling in the result sheets correctly, which makes it very hard for the Statistician to encode.

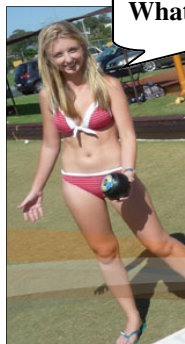

Also all 2nds are to return their score cards to the Team Captain before going home! (Frank you are let off this week!)

Please try and comply with above

COMPO TALK

What Next?

Ron Suckling has announced a regular coaching session will be held every Monday at 4.00 PM after the Cadburys Fours.

The first couple of weeks have been well attended and it is good to see some of our bowlers wishing to improve their game.

Might be a good idea for all Saturday Divisions to rock up for a few Lessons!!

More Bowls Jokes

IF If you can always roll the jack, right at your skipper's feet,
If you can always draw the shot, the one that must be beat.
When asked to play a 'yard on' do you judge it to perfection?
And when you're called to drive, can you always make correction?
If you can come up smiling when the other bloke puts your good shot out of play and treats it as a joke.
If you're the one who saves the day, I'll say to you my son,

"You're a bloody hero, what's more the only one!"

A SELECTORS PRAYER

**Blessed are they who can play sport
Blessed are they who can still be taught
Blessed are they who accept with grace
To play in any selected place.**

This woman Lawn Bowler goes down south and has a baby and the doctor ask what are you naming the baby, she said odd and the doctor says odd? "yes o-d-d, odd." A few years later Odd is at school playing and they are making fun of him "ha, ha your odd, your name is odd." a few years later he gets married and tells his wife don't put my name on my head stone and she ask why and he says it is odd. Then a few years later he dies and his wife does as he asks, she did put his name on the head stone, then people walked be and said: "My that's odd."

Only a mother could love him!

TOO MANY

The 'F' word in bowls is of course is for FORFIET and this season we have seen more than usual. It is creeping into Saturday and Midweek rosters and one hopes it does not happen to more clubs. With several teams withdrawing now means byes.

Late News

Brett Ellis was seen at 4.00 PM on Sunday 31/10 with a mop & bucket cleaning up near the bar area. Is he our new cleaner? No! Did he spill his drink? No! Was he trying to impress his wife? No! What then?

Back in the Old Days

(above) In days gone by the ladies would bring out the afternoon tea and the gentlemen would sit on the edge of the green enjoying a cuppa.

Barefoot Bowls starts 3rd November

5.30 PM for 6.00 PM. Tell your friends and we will have some hand outs on the event. Derek Jolly and his team will arrange the event each week. Teams of Four or Single entries accepted. Cost \$5.00 and that includes a BBQ after.

The Ladder

With the STBA still looking for a stats person, the results on line are starting to be more easily found- good move!
