## GAMES REVIEW By: Billy Bob Bias

# Cyclones, Floods and one ray of Sunshine

Now I'm not talkin' about the events in Queensland & Victoria, I'm talkin' about the results of last Saturday afvo.

Cyclone Rosny Park blew in from the east, uprooting several rinks and causing a heart breaking loss to **CBC Div 1** by one miserable, cotton picking shot. Sometimes the god of bias does not smile on us.

Our **Div 2 team** ran into a flood at Royal Hobbit and despite the erection of many sand bags that sinking feeling broke through the banks and drowned their efforts. Sadly the side has slipped to the bottom of the lake and will need the Australian Army to assist in the rebuilding process.

**Gran Dad's Army** bravely held off the raging waters and kept the Hobart Hobbits at bay in a sterling effort of success. Lance Corporal Archie Wallace kept up a constant barrage on the Bren Gun and routed the enemy.

Whilst fording the Derwent River the **Mixed Open** must have got some of their powder wet which dissolved their chances, but still they reign on top of the ladder.

**Team of the Week** goes to Corporal Archie Wallace, Private Peter 'The Stick' Trikilis, Colonel Arthur Tauber & Cook 2nd Class David Miller & with 24 shots up. "They don't like it up em!"

## Ladies Results

### NO WINS & A BYE

Div 1: Rosny Park White d. Claremont 12-0 (84-42) J. Reeve d. Z. Miller 30-17 J. Madson d. E. Burge 21-19 I. Sly d. A. Lipscombe 33-6

Div 3: Cremorne d. Claremont 10-2 (58-42) M. Vickers lt. C. Whelan 15-17 N. Holloway d. P. Throupe 19-13 K. Wood d. R. Browning

Div 5: Bye

Div 1's result at RP was disappointing with only one rink coming close to the opposition. They have done well this year, but may have to wait another season to make the final four.

Div 3 had a battle on the plastic at Cream-horne, a side that is well down on the ladder. Clarice Whelan's rink got up by 2 shots. CBC are still the dominant team in that division.

Div 5R will have to win a few more to keep in the four.

**Team of the week: Clarice Whelan, Noelene Suckling, Joan Cripps & Helena Gaylor with 2 shots up.**

## MIDWEEK 2/2/2011

Div 2: Claremont d Derwent City 13-1 (113-54)

Div 4: Rosny Park d Berriedale/Claremont 12-2 (82-73)

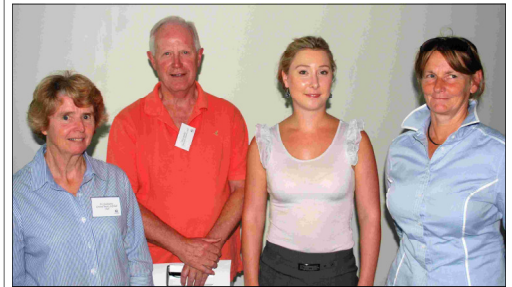

Div 2 rolled on to a decisive win over DC and now could well be favourites to take out the flag. Denis Menzie's rink were on fire, as was Fritz Pfund & Cam Tegg's rinks. Terry Wylie managed a draw. This moves Div 2 up to top of the ladder & if they remain there will have a home game in the final.

The home ground advantage for **Div 4** Composite did little for us with the team managing 2 points in an overall 9 shot loss. Both Claremont rinks faltered with Graham Gaylor's rink down by ten and Trevor Keough losing by 1 shot on the last end.

**Midweek Team:** Denis Menzie, Arthur Tauber, Norm Hanson & Big Al Smith with 25 shots up.

## Club Chat organised by Sport & Recreation Tasmania

(above) Ev Seaborn (Softball), Alan Walker (Tennis), Sara Davidson (Sport & Rec) & Judi Lefeure (Equestrian)

Sport & Recreation are holding a series of 'Chats' involving mainly sports club in the Glenorchy area. The aim is to bring together the many organisations, big & small, to discuss common subjects and to pass on information and help.

CBC was represented at last Wednesday's 'Chat' with the main speaker, Judy Lefeure, representing Equestrian Tasmania. She concentrated on Member Protection Policy. With a number of young people involved in the sport it is very important to guard against bullying, bad language and prohibited persons (*convicted of serious sex offences*) I think that the CBC can benefit from above discussions and by keeping contact with Sport & Rec who have access to Sporting Grants etc.

## Where to Next?

With the season moving on the prognosis looks like this: -

**Saturday:** Div 1 look like missing the finals; Div 2 & 3R could easily be relegated & the Mixed will play in the finals.

**Midweek:** Both teams have an excellent chance of finishing in the top two and playing off for the title. (the requirement that 6 games must be played in the relative Midweek side is important & selectors have that matter in hand)

**Ladies:** Div 1 would need a string of wins to move into the four, Div 3 is quite safe, but Div 5 will have to win a few more to hold on to 4th position. I guess the dilemma for the selectors is what, if any, steps could be taken to avert the relegation of maybe two sides in the Saturday Pennant.

**Good luck to the decision makers.**

**Don't Monkey Around**

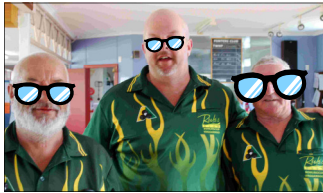

**Show Me the Way!**

First there was Bill 'TomTom' Miller, then Graham 'TomTom' Hoggan and now there is Peter 'TomTom' Trikilis. On Saturday 29th January Triky took a car load of players down to Geeveston. Peter, however, decided the quickest way to Geeveston was via Cygnet.

We have a poem for the above three:

*"I'm falling under slowly now,  
emotions rise from below.  
I think I need a road map, dear,  
...I'm not quite sure now where I go."*

In receiving the winnings of the 3 Bowl Triples last Sunday Chris Chalker thanked every conceivable person for making the day so enjoyable, including "Cam, son of Wayne for preparing the greens." I thought it was great that *Chalky's* dad, Jimmy, had come all the way from Australia to show his son how to win a tournament.

What Archie Said: "I had to wait 18 years before they made me a skip."

**Double Meanings!**

**This is how you Draw Tom**

**Bowls is a funny game!**

Elvie and Bernard had a very happy marriage for 35 years until Bernard became very ill and was on his death bed. He turned to his loving wife and said: "Luv, we've had a good life and you have been a wonderful wife to me, but were you ever unfaithful to me?" Elvie blushed and replied: "Well yes there were three time, but I did it for you, my dear." "Remember when we first got married and the bank Manager refused you a loan for the business. Well, I went round to see him and..." Bernard interrupted "You didn't..." "Yes" said Elvie "But I did it for you, and then was the time when you had that heart problem & the only specialist able to help said he was too busy to operate. Well I went round to see him..... and I did it for you, my dear." "And the third time?" mumbled Bernard Elvie replied: "Remember when you stood for President of the Bowls Club and you were 49 votes short....."

**FORFEITS-SHORTAGES and PENALTIES!**

In the lower divisions we have seen too many clubs unable to make up a full team, or forfeit the whole game or just one a rink and several sides have pulled out all together. This does not reflect well on their club and bowls in general. There was a time selectors would contact other clubs to see if any subs were available. The rule regarding teams short of a full compliment are quite interesting. So much so that I will give you two examples of how it may be applied: - Example 1: Team A has a full team Team B is one short, so two players in that rink have 3 bowls each & loose 25% of their score. Final result: Team A d Team B 10-4 (80 – 60) The team with one short were beaten 40-10, allowing for the 25% LOSS OF SHOTS. Example 2; Same two sides. Team B forfeits a rink and loses 2 points. Therefore Team A's total shots drop to 40 and Team B to 50 and Team B wins the game 10-4 (50-40) Also in example 2 one complete rink from Team A and several players in Team B miss a game. You be the judge! Cont in next column

Bardon Bowls Club in Queensland didn't escape the recent floods.

**Pin Up Bowlers**

**WHAT'S COMING UP?**

- Cadbury's Fours every Monday
- March 13th The International Fours at Claremont. (start now to arrange a four in appropriate dress)
- Midweek Carnival at Claremont will be on 30/3/2011

*Forfeits etc continued*

Here is a comment on this subject by a well known bowler & umpire: - "No shot penalty is being applied for the forfeited rink. it should be 10 or 15 shots to counter the obvious cheating which is going on.

We have seen instances of clubs forfeiting a rink and playing with 2 men and only 6 ladies.

Also clubs are forfeiting a rink so that they use only their strongest ladies. This of course is not fair on those poorer bowlers who don't get a game.\*

We can talk more on the subject."

If you have any thoughts on this subject we would like to hear from you, so just don't sit back & let others decide the rules for bowls.

\* I notice in the ladies game in Div 5 R on 3/2/2011 Bucks forfeited a rink to New Norfolk yet managed to win overall & deprived NN a chance of getting into the Four & pushing out CBC.
