Both Midweek Teams will contest the Grand Final this Wednesday 23/3/2011. Div 1 will play at home and Div 4: will play at Sandy Bay.

In the final round of the Midweek competition it was a 'walk in the park' for **Div 1**, taking all 14 points and a massive 71 shot win.

Div 4 Composite met a much stronger opponent at Rosny Park and by losing their game relinquished top position. Only Trevor Keough's rink was able to overcome the foe with an 8 shot win.

We wish both teams all the best in the Grand Finals.

Midweek Team: Big Al, Archie, Graham Hogan & Noel Hart with 31 shots up.

Saturday 19th March 2011 Mixed Open open up the finals!

With the green running at about 18 plus the Mixed Side took on HI in the second semi to determine who goes into the Grand Final. It was indeed a tough encounter staged in front of a large crowd.

From the start it looked like it would be a tight game and Hobart Indoors had a slight lead at the break.

Rinks were locked until Eleanor's rinks got in front by a few shots and continued to play well winning by 11shots. The other two rinks tried hard only to go down by a few shots. In the end it was CBC who survived with a 7 shot lead.

We wish the side all the best in the Grand Final to be played on Saturday week

More About Indoor Bowls Centres

Swansea Indoor Bowls Stadium

From Wikipedia, the free encyclopedia

The Swansea Indoor Bowls Stadium (above) is an indoor bowls stadium based in Plasmarl, Swansea, Wales. It was opened in early 2008 and was constructed at a cost of £1.5m (about \$2.4 million AUS) replacing the indoor bowling facilities that had been offered at Swansea Leisure Centre. The stadium has six lanes and is capable of holding international events
Swansea Bowls Stadium is home to the Swansea Indoor Bowling Club. The stadium hosted the World Indoor Singles and Mixed Pairs Championship from 16 April to 20 April 2008 & will host several other large tournaments as time goes by.

NB: I think it only has 6 rinks, whereas our proposal is for 8.

The Nottingham Indoor Bowls Club (8 rinks) has a fee structure as follows: -

Bowls membership	
Playing member	£40.00 per year*
Playing member (ladies over 60, gents over 65)	£33.00 per year*
Junior bowls/Social membership	
Junior member (under 16)	£5.00 per year**
Social member	£10.00 per year**

* New playing members are required to pay a £30.00 one-off joining fee * New playing members are required to pay a £30.00 one-off joining fee

** Junior & Social members are required to pay a £5.00 one-off joining fee ** Junior & Social members are required to pay a £5.00 one-off joining fee

The Australian equivalent would be less than double the English figure.

UPDATE UPDATE

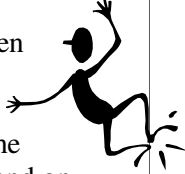

ON THE BOARD

Your hard working Board met last Tuesday and had a long, but fruitful, meeting. Obviously some items on the agenda are classified, but there are some we can tell you about.

- Finance:** Until we know exactly where we are going with the Sports Complex all expenditure will be reduced to absolute essentials. We were going to install new shades on the top green, but that could be a waste of money. As we near the quiet time at our club our income will drop, however costs won't. The club and bar will be open most days, so please consider popping in to see what's happening.
- The Board had to consider several complaints and took steps to be *'fair to all'*. *The message is quite clear—the board has zero tolerance to unacceptable behaviour, language and disrespect for others.*
- Shortly the spare block will be fenced with wire to indicate to all just where our boundaries are.
- With the expectation of a very important year/s coming up President Max hoped the future Board/s would be filled with enthusiasm.
- In respect to the Sporting Complex proposal we now wait for the Glenorchy City Council to approve our rezoning application. If that is favourable then the architects will start to put more plans on paper. In the meantime Max would like to hear your written ideas. Also speak to people about the project— its pros and cons.
- We are about to enter into a new rebate system with Cascade— the more we sell the more we receive in rebates.
- The next board meeting will be on Monday 11th April at 6.00 pm

Cadbury's Fours every Monday

The top green will stay open as long as possible for the Cadbury Fours Comp to continue. We don't have the final date, as that will depend on the way the green stands up, but a suggestion is till at least Easter and then we will see. All members are invited to have a bit of fun every Monday.

The Inevitable Blunder!

In our last edition we incorrectly named the winner of the International Fours as the team skipped by Peter Trikilis. That was entirely wrong and the Cub Reporter has been severely dealt with.

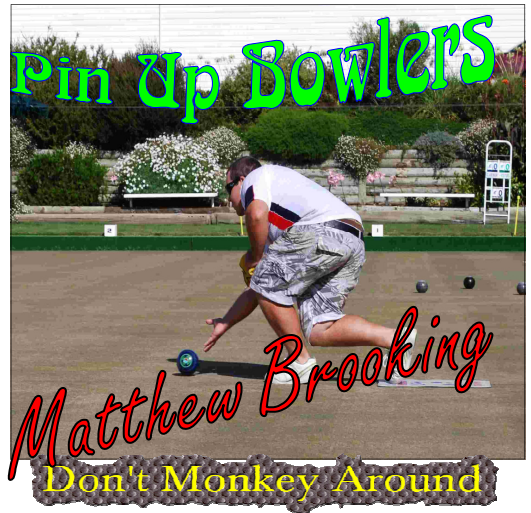

The winners were, of course, Phil 'Capone' Powe, Geoff 'The Enforcer' Tegg, Mat 'The Rock' Brooking (skip) and John 'Knuckles' Grimsey (as seen below)

One Day in BC 200000000

Bucky and Rae seem to be having fun at last week's International Fours Tournament, even if Bucky was feeling a bit touchy.

At Rosny Park last Wednesday Mike Quinn was introduced as Mike Pursell, Side Captain for Midweek Div 4 Composite and Mike Pursell was introduced as Mike Quinn, Umpire. Well, they do look alike...sorta!!

OK! On Saturday both the Treasurer's & Secretary's car spaces were taken up by unauthorised cars.— one a white Ford and the other a red Toyota. If tyres were slashed etc. we did warn you. (We have photos!)

Spectators at Finals

The 'Etiquette in the Sport of Bowls' suggests that spectators in the line of the bowlers must not move or talk. Preferable, I think, that spectators move way from the bowlers line of sight and take up positions on the side of the green. Clapping & cheering should be carefully done as not to upset the players.
